

# March Current Needs!

## Can you or anyone you know help us with...

- An 87 year old lady would love a friendly visitor twice a month. She lives near N. Apperson Way and loves to read.
- Looking for a volunteer to help a 91 year old woman who lives near N. Berkley Rd. sort through her mail and write letters.
- A delightful 91 year old visually-impaired woman is looking for a weekly visitor on Wednesday mornings to help her read mail and occasionally do some errands. She lives near Pumpkin Vine Pike Road and loves the outside.
- Enjoy laughing? We have a 58 year old woman with a great sense of humor, who loves puzzles, monopoly and card games. She is looking for a weekly friendly visitor in late afternoon or evening.
- Drivers needed to take people to medical appointments, get groceries or run errands. We work around your schedule with no more than one ride per week.
- Love to play the Wii? We're looking for a volunteer to take our Wii to Friendship Haven and play with the residents. They would love to be able to start a bowling tournament.
